Due Date: 09/09/2019

## Assignment 1: Intro

Describe your favorite WebGL demo.

My favorite demo is the Blossom (<https://www.bongiovi.tw/experiments/webgl/blossom/>). The authors show the flying leaf by the wind and you can change the detailed of leaf and also change the wind.

Technologies used:

- HTML/CSS/JavaScript
- Index.js
- Particle.js
- SoundMixer.js

- View.js
- ViewBg.js
- ViewGround.js
- ViewParticles.js
- ViewSun.js
- ViewTree.js

**Bonus:** Blossom belongs to Yi-Wen Lin on <https://www.bongiovi.tw/experiments/webgl/blossom/>. You can see the project on my Github repository, link of repository is here: <https://jiehyunjkim.github.io/cs460student/01/Blossom.html>
